FRESH ideas

CONNECTED online

2020 Exhibits is a global leader in the design and production of exhibits, events and environments. Working collaboratively with clients worldwide for more than 23 years has given us valuable insights into increasingly innovative ways to create more engaging and interactive experiences with their brands, while driving their bottom-line success and growth. Maximizing our strategic, creative and technical capabilities 2020 Exhibits has worked in partnership with clients [worldwide](#) for over 20 years to provide a wide range of award-winning services, including custom exhibits, event management, flash presentations, [event management](#), tradeshow marketing, experiential marketing, table top displays and pop up displays, banner stands, graphics, and custom tradeshow rental exhibits.

From our 150,000 square-foot state-of-the-art production, manufacturing and trade show headquarters in Houston to our offices in Cincinnati, Cleveland and Toledo, 2020 Exhibits offers an extensive selection of trade show exhibit services with a focus on making your event a success and driving results through strategic pre-show trade show marketing and planning to onsite support and services and comprehensive follow-up campaigns post-show.

And we don't just do exhibit displays. 2020 Exhibits remains ahead of the curve deploying innovative technologies, driven by an extraordinary team of seasoned professionals who are backed by a solid, flexible infrastructure which supports our mission to deliver results driven, award-winning marketing, event and branding solutions to companies of all sizes, including a broad range of Fortune 500s and other global market leaders, along with non-profits, professional organizations and [ad agencies](#).

We understand that intangible assets – such as expertise, information and the creation of ideas – drive business success and inspire overall business performance. We believe that a dynamic, well branded environment – from tradeshows, to events and corporate interiors -- creates a measurable, competitive advantage. It is our mission each day to capitalize upon our expertise, provide dynamic solutions and put them to work for your advantage. Maximizing the power of [e-Force](#), the most sophisticated online
